- (1) A petition shall be in writing and signed by the petitioner.
- (2) The following rules shall apply to a petition—
 - (a) It shall state the right of the petitioner to petition within section 88 of the Act;
 - (b) It shall state the holding and result of the election, and shall briefly state the facts and grounds relied on to sustain the prayer;
 - (c) It shall be divided into consecutively numbered paragraphs each of which, as nearly as may be, shall be confined to a distinct portion of the subject;
 - (d) It shall conclude with a prayer, as for instance, that some specified person should be declared duly returned or elected, or that the election should be declared void, or that a return may be enforced.

4. EVIDENCE NOT TO BE STATED

- (1) Evidence shall not be stated in the petition, but the Court or judge may, on summons, order such particulars as may be necessary to prevent surprise and unnecessary expense, and to ensure a fair and effectual trial in the same way as in ordinary proceedings in the Court, and upon such terms as to costs and otherwise as may be ordered.
- (2) In any case in which the Court or a judge orders that particulars of any allegation made in a petition be delivered to the respondent, it or he or she may fix the time within which such particulars shall be delivered and may also order that the petitioner at the trial of the petition may be precluded from going into any case in respect of which such particulars have not been duly delivered, unless it is otherwise ordered.

5. PETITIONER TO GIVE ADDRESS FOR SERVICE

The petitioner shall in his or her petition give the name and address of an attorney-at-law whom he or she authorises to act on his or her behalf, or state that he or she acts for himself or herself, and in either case give an address for service within one mile of the office of the Registrar.

6. HOW PRESENTED

- (1) The presentation of a petition shall be made by delivering it to the Registrar.
- (2) A petition shall be presented within 21 days after the writ relating to the member whose return or election is complained of has been returned to the Governor General in accordance with section 89 of the Act.

However—

- (a) if the petition complains of the return or election on the ground of a corrupt practice, and specifically alleges a payment of money or some other act to have been made or done by the member, or on his or her account or with his or her privity since the return of the writ in pursuance or furtherance of that corrupt practice, the petition, so far as respects that corrupt practice, shall be presented within 28 days after the date of such payment or act;
- (b) if the petition complains of the return or the election on the ground of an illegal practice, and specifically alleges a payment of money or some other act to have been made or done by the member on his or her account or with his or her privity since the return of the writ in pursuance or in furtherance of that illegal practice, the petition, so far as respects that illegal practice, shall be presented within 28 days after the date of such payment or act.

7. PUBLICATION OF PETITION

- (1) On presentation of the petition, the Registrar shall cause the same to be inserted in the Gazette and in a newspaper published in Saint Lucia.

- (2) The costs of publication of the petition and of any other matter required to be published by the Registrar under these Rules shall be paid to the Registrar by the petitioner or other person moving in the matter in the first instance before such publication, and shall form part of the general costs of the petition.

8. SERVICE OF PETITION

- (1) A petition shall be served upon the respondent by delivering a notice of the presentation of the petition together with a copy thereof to him or her personally within 10 days after the presentation of the petition, but a judge may, on the application of the petitioner made by summons not later than 14 days after the petition is presented and supported by affidavit showing what has been done, on being satisfied that all reasonable effort has been made to effect personal service and cause the matter to come to the knowledge of the respondent, order that what has been done shall be considered sufficient service, subject to any conditions which he or she may think fit to impose.
- (2) In case of evasion of service the posting of a notice in the office of the Registrar that the petition has been presented, stating the petitioner, the prayer and the nature of the proposed security, shall be deemed equivalent to personal service, if so ordered, by the judge.
- (3) A respondent shall, within 10 days after service on him or her of notice of the petition, lodge with the Registrar and serve on the petitioner a statement of the facts required by rule 5 of these Rules to be stated by a petitioner in the petition, and he or she shall state the said facts in any summons taken out by him or her for the purpose of objecting to the security given by the petitioner or otherwise.

Security for Costs and Objection thereto

9. SECURITY FOR COSTS

- (1) When making the presentation of the petition, or within 3 days thereafter, the petitioner shall give security in the sum of \$480 for the payment of all costs, charges and expenses that may

become payable by him or her to any party to the proceedings or to any person summoned as a witness on his or her behalf.

- (2) The security may be given wholly or partly by deposit of money with the Director of Finance and Planning or by delivering to the Registrar a recognizance taken and acknowledged by the petitioner and by any number of sureties not exceeding 3 before a justice of the peace or other person authorised to administer oaths in favour of Our Sovereign Lord The King.
- (3) Within 3 days after the giving of security as required by this rule, notice of the nature of the security given shall be served by the petitioner on the respondent.
- (4) When the security is given wholly or partly by recognizance, it shall be lawful for the respondent within 10 days from the date of service on him or her of the notice to object to the recognizance on the ground that one or more of the sureties is insufficient, or that a surety is dead, or that he or she cannot be found or ascertained for want of sufficient description in the recognizance, or that a person named in the recognizance has not duly acknowledged the same.
- (5) Any objection to the security shall be made by summons before a judge supported by affidavit of the facts relied on, but the judge may require evidence of witnesses on personal examination, if he or she thinks fit so to require.
- (6) The summons shall be made upon not less than 4 days notice to the petitioner and the costs thereof shall be in the discretion of the judge who may decide which party shall pay them.
- (7) The costs of hearing and deciding any objection upon the ground of insufficiency of a surety or sureties shall be paid by the petitioner, unless at the time of leaving the recognizance with the Registrar there be also left with him or her an affidavit sworn by each surety before a justice of the peace, or other person duly authorised to administer oaths, that he or she is possessed of immovable property of the value of double the amount for which he or she is bound by the recognizance, after satisfying all other debts and liabilities due to other persons.

10. REMOVAL OF OBJECTION WHERE SECURITY DECLARED INSUFFICIENT

- (1) If by order made upon such summons the security be declared insufficient and the objection is allowed, it shall be lawful for the petitioner, within such time not exceeding 10 days as may be ordered by the judge before whom the summons is heard, to remove the objection by a deposit with the Director of Finance and Planning of such sum of money as the judge may direct for the purpose of making the security sufficient.
- (2) If the petitioner does not remove the objection by deposit of the sum of money so directed to be deposited within the period fixed by the order of the judge, no further proceedings shall be taken on the petition which shall thereafter stand dismissed.

11. WHEN PETITION AT ISSUE

If by order made upon such summons the security be declared sufficient, or if no objection is made to the sufficiency of the security within the time limited by these Rules for making objection thereto, the petition shall be at issue.

12. AMENDMENT OF PETITION

A petition which has been presented questioning a return or election other than upon an allegation of a corrupt practice or an illegal practice may, for the purpose of questioning the return or election upon an allegation of a corrupt practice or an illegal practice, be amended with the leave of the Court to be applied for on summons in the time within which a petition questioning the return upon the allegation of that corrupt practice or illegal practice can be presented under rule 6(2)(a) and 6(2)(b) of these Rules.

13. WITHDRAWAL OF PETITION

- (1) A petition shall not be withdrawn without the leave of the Court or a judge upon application made by summons.
- (2) No such application shall be made for the withdrawal of a petition until the petitioner has given notice of his or her intention to the Registrar and the respondent, and the Registrar

shall cause the same to be inserted in the Gazette and a newspaper published in Saint Lucia.

- (3) Where there are more petitioners than one no application to withdraw a petition shall be made except with the consent of all the petitioners.
- (4) Before leave for the withdrawal of a petition is granted, there shall be produced affidavits by the parties to the petition and their Attorneys-at-law, and by the election agents of the parties who were candidates at the election to the effect stated in the next succeeding paragraph of this rule, but the Court may on cause shown dispense with the affidavit of any particular person if on special grounds it appears to the Court just so to do.
- (5) Each affidavit shall state that to the best of the deponent's knowledge and belief, no agreement or terms of any kind whatsoever has or have been made, and no undertaking has been entered into, in relation to the withdrawal of the petition; but if any lawful agreement has been made with respect to the withdrawal of the petition the affidavit shall set forth that agreement, and shall make the foregoing statement subject to what appears from the affidavit.
- (6) The affidavits of the applicant and his or her attorney-at-law shall further state the ground on which the petition is sought to be withdrawn.
- (7) It is not lawful for any person to make any agreement or terms, or to enter into any undertaking, in relation to or for the withdrawal of a petition in consideration of any payment, or in consideration that the seat shall at any time be vacated, or in consideration of the withdrawal of any other petition, and every person acting in contravention of this provision is liable on conviction to a fine not exceeding \$48.
- (8) Any person who might have been a petitioner in respect of the election to which the petition relates may, within 5 days after the publication by the Registrar of a copy of the notice of application for leave to withdraw the petition, apply to the Court or a judge to be substituted as a petitioner for the petitioner so desirous of withdrawing the petition, and the Court or judge may at the hearing of the application, if it or he or she thinks fit, substitute as a petitioner any such applicant.

- (9) Where in the opinion of the Court or a judge the proposed withdrawal of a petition is induced by any corrupt bargain or consideration or is the result of any agreement, terms or undertaking prohibited by this rule, it or he or she may by order direct that the security given on behalf of the original petitioner shall remain as security for any costs that may be incurred by the substituted petitioner.
- (10) If no such order is made with respect to the security given on behalf of the original petitioner, security to the same amount as would be required in the case of an original petitioner, and subject to the like conditions, shall be given on behalf of the substituted petitioner within 5 days after the order of substitution and before he or she takes any step in the proceedings.
- (11) Subject as aforesaid, a substituted petitioner shall stand in the same position, as nearly as may be, and be subject to the same liabilities as the original petitioner.
- (12) If a petition is withdrawn the petitioner is liable to pay the costs of the respondent.

Miscellaneous Matters Affecting the Petition

14. ABATEMENT OF PETITION

- (1) A petition is abated by the death of a sole petitioner or the survivor of several petitioners.
- (2) The abatement of a petition shall not affect the liability of the petitioner's legal personal representative to pay the costs previously incurred.
- (3) On the abatement of a petition notice of such abatement shall be given by any party or person interested in the petition to the Registrar who shall cause the same to be inserted in the Gazette and in a newspaper published in Saint Lucia.
- (4) Within one month after publication of the notice any person who might have been a petitioner in respect of the election to which the petition relates may apply by summons to the Court or a judge to be substituted as a petitioner.

- (5) The Court or a judge may, if it or he or she thinks fit, substitute as a petitioner any such applicant on whose behalf security to the same amount as is required in the case of an original petition is given, and such security shall be subject to the same objection as the security given in an original petition.

15. ADMISSION IN CERTAIN CASES OF VOTERS TO BE RESPONDENT

- (1) If before the trial of a petition either of the following events happens, that is to say—
 - (a) the respondent dies; or
 - (b) the respondent gives notice to the Registrar and to the petitioner that he or she does not intend to oppose the petition,

then, in the first case, any person entitled to be a petitioner in respect of the election to which the petition relates may, and in the second case the Registrar shall, give notice by publication in the Gazette, and in a newspaper published in Saint Lucia of such event having taken place, and within 21 days after publication of the notice in the Gazette, any such person may apply by summons to the Court or a judge to be admitted as a respondent to oppose the petition, and such person shall be admitted accordingly either with the respondent, if there be a respondent, or in place of the respondent.

- (2) Any number of such persons not exceeding 3 may be so admitted.

16. RESPONDENT NOT OPPOSING NOT TO APPEAR AS PARTY

18. NOTICE OF RECRIMINATION WHEN PETITION COMPLAINS OF UNDUE RETURN AND CLAIMS SEAT

- (1) When a petition complains of an undue return and claims the seat for some person other than the person returned, it shall be lawful for the respondent, within 10 days after the service of the notice of the petition as aforesaid, to give notice in writing to the petitioner that he or she intends to complain of the election of the person on whose behalf the seat is claimed undue.
- (2) The grounds on which a respondent intends to complain of the election of a person on whose behalf the seat is claimed undue shall be set out in the notice and the rules applicable to a petition and the particulars of charges made therein shall apply to every such notice.

19. RETURNING OFFICER IF COMPLAINED OF TO BE RESPONDENT

Where a petition complains of the conduct of a returning officer, such returning officer shall for the purposes of these Rules, except the substitution of respondents in his or her place, be deemed to be a respondent.

20. PETITION COMPLAINING OF NO RETURN

A petition complaining of no return may be presented to the Court, and shall be deemed to be an election petition, and the Court may make such order thereon as it thinks expedient for compelling a return to be made, or may allow such petition to be heard by the judge in manner herein provided with regard to petitions.

Trial of the Petition and the Costs thereof

21. MODE OF TRIAL OF PETITIONS

The following provisions shall apply to the trial of a petition—

- (1) the trial shall take place at such time as the judge may appoint, not being less than 7 days after notice of trial has been given to the parties and published in the Gazette and in a newspaper published in Saint Lucia;

- (2) the judge may adjourn the trial from time to time, but the trial of every petition so far as practicable, consistently with the interests of justice in respect of such trial, shall be continued *de die in diem* on lawful days until its conclusion;
- (3) the judge may make a special report to the Governor General upon any matter arising in the course of the trial, an account of which in his or her judgment ought to be submitted;
- (4) where it appears to the Court or a judge, on application by summons of either party or without such application, that the case raised by the petition can be conveniently stated as a special case, it or he or she may direct the same to be stated by the petitioner and the respondent accordingly, and any such special case shall, as far as may be, be heard before the Court, and the decision of the Court thereon shall be the decision on the petition;
- (5) in case of the petitioner and the respondent differing on the stating of the special case, the Court or a judge may refer the same to some qualified person to be settled;
- (6) the Court shall certify to the Governor General its determination in reference to such special case.

22. POWER TO RESERVE QUESTION OF LAW FOR COURT OF APPEAL

If it appears to the judge on the hearing of any election petition or any special case that any question of law requires further consideration by the Court of Appeal, it shall be lawful for the judge to postpone the hearing or the granting of any certificate to the Governor General until the determination of such question by the Court of Appeal and for this purpose to reserve any question of law for the determination of the Court of Appeal.

23. EVIDENCE OF CORRUPT PRACTICE RECEIVABLE BEFORE PROOF OF AGENCY

On the trial of a petition, unless the judge otherwise directs, any charge of a corrupt practice may be gone into, and evidence in relation thereto received, before any proof has been given of agency on the part of any candidate in respect of such corrupt practice.

24. EXPENSES OF WITNESSES

- (1) The reasonable expenses incurred by any person in appearing to give evidence at the trial of a petition, if allowed to such person by order of the judge, shall be payable in the first instance by the party who summonses or calls him or her and the amount thereof shall be ascertained and certified by the Registrar. Such expenses may be included in the costs of the petition and shall be paid by the party directed to pay those costs.
- (2) The expenses of a witness called and examined by the judge shall be deemed to be costs of the petition and shall be paid as directed by the order of the judge.

25. GENERAL COSTS OF PETITION

- (1) All costs, charges and expenses of and incidental to the presentation of a petition, or of any proceedings consequent thereon shall be in the discretion of the Court or judge and shall be defrayed by the parties to the petition in such manner and in such proportions as the Court or judge may determine, regard being had to the disallowance of any costs, charges or expenses which may, in the opinion of the Court or judge, have been caused by vexatious conduct, unfounded allegations, or unfounded objections on the part of either the petitioner or the respondent, and regard also being had to the discouragement of any needless expense by throwing the burden of defraying the same on the parties by whom it has been caused, whether such parties are or are not on the whole successful.
- (2) The amount of such costs may be fixed by the Court or judge or may be directed to be taxed, and in the latter case they shall be taxed by the Registrar in accordance with scale of fees and disbursements contained in Schedule 1 to these Rules and paid by the party ordered to pay the same.
- (3) Where the petitioner is ordered to pay any such costs and he or she fails to pay the same within 14 days from the date of the order of the court or judge, the Director of Finance and Planning shall pay such costs out of any money deposited with him or her as security under these Rules and execution may be issued against the petitioner and the sureties jointly and severally for any balance not covered by the deposit, or where security has been given by recognizance, the Registrar shall,

upon an affidavit of the respondent stating the amount of the costs directed to be paid by the petitioner and that neither the petitioner nor any of the sureties has paid them within 14 days after the order to pay the same, certify such recognizance to be forfeited and execution shall issue out of the Court thereupon for the recovery of the amount of the costs ordered to be paid against the petitioner and the sureties jointly and severally to the extent of the amount for which they are bound by the recognizance, the petitioner however being always liable to pay the full amount of the costs.

- (4) If the security given by the petitioner be in the form of money deposited with the Director of Finance and Planning, the petitioner shall be entitled to a refund of any portion thereof exceeding the amount of the costs ordered to be paid by him or her.
- (5) If a respondent who is ordered to pay any costs to the petitioner fails to do so within 14 days from the date of the order directing such payment, execution shall be issued out of the Court for the recovery of the amount of such costs.
- (6) Execution shall be levied in accordance with the law governing executions in civil actions in the Court.

26. FORMS AND MATTERS NOT PROVIDED FOR

- (1) In proceedings regulated by these Rules the forms contained in Schedule 2, or forms to the like effect, shall be used as the documents described by the headings thereof.
- (2) In any matter not provided for by these Rules the practice and procedure of the Court in a civil action shall apply and have effect and the judge may in any such case direct what the procedure shall be.
